Summary: <p style="margin-left: 40px;">I spoke with Mr. Massey regarding the license amendment request for the old Wittnauer license (52-19336-01) dated September 14, 2005. I told him that we could not amend the license for the change of location because the license was expired. Rather, we would issue a new license and the fees would be waived based on the circumstances in this case.</p> <p style="margin-left: 40px;">I told Mr. Massey that we needed additional information before we could issue the new license. We needed to know if the mailing address should be 12033 Avery Lane, Bridgeton, Missouri; and if Mr. Massey would be listed as the Radiation Safety Officer (RSO) on the new license. Mr. Massey told me that he would discuss these issues with Robert Coleman and call me back.</p> <p style="margin-left: 40px;">Mr. Massey returned the phone call and left a voice message on 10/24/05 stating that the answer to both questions was "Yes."</p>		
Action Required: Issue new license.
