Angela Bolduc,
NTEU recommends the following format corrections to the CBA articles being changed.
---Dale Yeilding

NTEU Comments =====

- 8.7 Employee Official Duty Time (missed a strikeout)

- any time a step numbering goes four levels deep, indent as is now done throughout the contract,
8.7.1.1 thru 8.7.1.3.
8.7.2.1

- missing stikeout language for
8.7.1
8.7.2
8.7.3 first par.

- many margins need to be lined up the same,
2.2.2.9
39.8.9
39.10.4

- add a blank line after the step
36.5.4
36.5.8

- 39.7.1.4 delete "and"

- 39.7.1.5 add "and"

- Readers will now read the pdf 39.9 and see a bunch of strike out and wonder where the language went or why it was deleted. If 39.8.9 was bolded their question would be answered before they saw the strike-out.

- 51.3 last sentence of first paragraph:

An employee may designate the union NTEU as his/her personal representative during EEO Counseling

- 51.13 add "51.13" to each step number to format consistently.

51.13.1
51.13.2
51.13.3
51.13.4

- 51.13.1 add "and" at the end of the step

- 51.13.2 add "and" at the end of the step

- Delete blank lines after step 54.6 and 54.9
