Bill,

Attached is a letter to Entergy dated 11/2/05 which transmitted Vermont Yankee EPU draft safety evaluation Revision 1 (public and non-public versions). The letter explains the differences between Revision 0 and Revision 1. I've also attached the publicly available version of the draft SE (Enclosure 1 to the letter). A hard copy of the letter and draft SE are being mailed to you separately.

Cliff Anderson and I will call you later this morning to discuss.

As usual, you can obtain the non-public (i.e., proprietary version) of the draft SE Revision 1 from Entergy.

thanks,

Rick 301-415-1420
