Re: Request for Additional Information dated October 7, 2005

Dear Mr. Mendonca:

We are preparing our response to the RAI on the implementation of Compensatory Measures. However, the response is not complete at this time. Because of my travel schedule during the next week, I am requesting that we be granted an extension of two weeks. With your approval, our response shall be submitted by November 25, 2005.

We appreciate your consideration of this request. Please contact me if you have any questions or concerns, or require additional information.

Sincerely,

John S. Bennion
Reactor Supervisor
