Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Response to RAI dated October 4, 2005	
Summary:	<p>I contacted Richard Metz to inquire about the status of a response from FIDR concerning the deficiency letter sent on October 4, 2005. I was told that he would be out of r the rest of the week. I asked if I could have someone from Radiation Safety contact me.</p> <p>Later in the day Ryan Davis from FIDR called me back. He also stated the Dr. Metz would not be in for the rest of the week. He said that they had in fact received the letter but was not sure that DR. Metz was aware of the portion that required a response within thirty days of the date of the letter. He stated that a response was in the process of being prepared and that I should receive it inthe early part of the following week. I informed him of the timeliness issue and that the deadline was approaching. He said he would fax the information requested as soon as possible once Dr. Metz returned.</p>
