**Subject:** New Hampshire Issuance of Increased Controls

Dear Mr. Mauer:

The State of New Hampshire commits to implement increased controls identical to those dispatched by the NRC on September 2, 2005 (RCPD-05-014), subject to the following change:

State of New Hampshire licensees will notify the New Hampshire Department of Health and Human Services' Radiological Health Section rather than the NRC Operations Center to satisfy the requirements of IC 2.d and IC 3.a.4.

The State will use the identical table of radionuclides of concern that the NRC provided in RCPD-05-014.

The State will use the identical letter and license condition provided by the Organization of Agreement States (OAS) in their letter dated September 6, 2005, with information specific to the State of New Hampshire, substituted for the bolded notations.
