DISPOSITION MOTIONS AND PARTY RESPONSES**

This Report is submitted on behalf of Commission Staff and Intervenors Nuclear Information and Resource Service and Public Citizen ("NIRS/PC") pursuant to paragraph B.1 of the Memorandum and Order (Regarding Post-Hearing Administrative Matters) dated November 3, 2005. This Report is filed by counsel for NIRS/PC with the concurrence of counsel for the Commission Staff.

Counsel for Commission Staff and NIRS/PC have conferred and request that the Atomic Safety and Licensing Board (the "Board") allow summary disposition motions concerning NEPA discussion of deep disposal impacts to be filed on or before November 18, 2005, with responses to be filed on or before November 28, 2005. The parties recognize the Board's expressed preference for filing of such motions by November 17, 2005, and respectfully request that the Board allow an additional day in light of the scheduling problems of experts advising on these issues.

Respectfully submitted,
