<p>Name of Licensee: Raleigh Cardiology Clinic, PLLC</p> <p>Name of Participant(s): David Close, National Physics Consultants Randolph Ragland, NRC Region I</p> <p>Telephone No. 440-350-1242</p> <p>Subject: Request to Confirm Company Name on Amendment Request (NOTE: This will be used as the Documents Title in ADAMS)</p>		
<p>Summary: On 11/16/05, I left a telephone message for Mr. David Close informing him that NRC had received an Amendment Request dated 9/27/05 for NRC License No. 47-30903-01, and the applicants name was different than what was listed on the current NRC license. I informed Mr. Close that if the applicant wished to receive a separate license, then they would need to submit a complete amendment request for a new mobile nuclear medicine facility. On 11/17/05, Mr. Close left a message on my telephone stating that he had discussed the issue with Anthony McFarlane, M.D. and it is Raleigh Cardiology Clinic's intent to simply add a Mobile Nuclear Medicine facility to their existing license as stated in the original amendment application request, that there has been no change in ownership, and that the name and address on the September 27, 2005 license amendment request should have been the same as on the current license. I requested a letter confirming that information to be faxed to 610-337-5269, and reminded him to include Mail Control No. 137772.</p>		
<p>Action Required: A management representative of Raleigh Cardiac Clinic will fax NRC a letter confirming that there has been no change in company name or ownership.</p>
