Subject: Report of lost/stolen portable gauge

(NOTE: This will be used as the
Documents Title in ADAMS)

Summary: I called Mr. Rodriguez regarding his report to the NRC Operations Center that a CPN Moisture density gauge had fallen off of a worker's truck and could not be located. I confirmed with him that as of today the gauge was still missing. He confirmed this and stated that the local newspapers and a local radio station had all been contacted and told that a reward is being offered for its return. I gave him my direct number and told him to remain in contact with me regarding this matter.

Action Required: Place in ADAMS and complete LER.
