Mr. Paul Lohaus, Director
U.S. Nuclear Regulatory Commission
Office of State and Tribal Programs
Washington, DC 20555-00001

Dear Mr. Lohaus:

As I continue to be committed to keeping a communication channel between my state and the Nuclear Regulatory Commission, I am appointing John Ferruolo, Supervising Radiological Health Specialist in the Rhode Island Department of Health, as my State Liaison Officer to your organization. Mr. Ferruolo will replace Peter Todd, the former State Liaison who retired July 30, 2005.

Please be advised that all correspondence should be sent to Mr. Ferruolo at the Rhode Island Department of Health, 3 Capitol Hill, Providence, Rhode Island 02908.

We look forward to a continued positive relationship with your organization.

Sincerely,

Donald L. Carcieri
Governor
