**Summary of Actions Taken in Response to NRC Order EA-04-103**

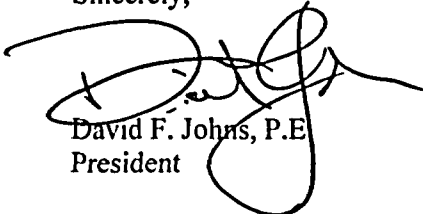

Dear Mr. Johnson:

The Nuclear Regulatory Commission's (NRC) letter dated April 27, 2005 (See Reference 1) issued Confirmatory Order EA-04-103 to Soil Consultants Incorporated (SCI). Section III of the Confirmatory Order requires SCI to provide the NRC with a letter summarizing its actions when all of the Section IV requirements have been completed. The enclosure (1) to this letter provides the required summary of actions taken.

The enclosure (2) to this letter is a copy of an earlier letter addressed to Mr. Frank J. Congel, former Director of the Office of Enforcement from David F. Johns P.E., President of Soil Consultants Incorporated. The letter dated September 28, 2005 stated the actions taken by SCI with the omission of the fine payment details (Enclosure 3). SCI feels that the letter's format should also be changed and should also reflect the proper addressee Mr. Michael R. Johnson.

If you have any questions regarding actions taken or the explanations provided, please do not hesitate to contact me directly or Steven P. Nichols (RSO) at 703-366-3000.

Sincerely,

David F. Johns, P.E.  
President
