Todd,

After much searching, this is the only version of the Qs & As I was able to locate. I have to deduce that amid the scurrying to respond, some questions were jettisoned. It happens all the time.

Don,

Attached are the answers to the questions that you sent me yesterday. I have coordinated these responses with NSIR. Please send me the full list of Qs and As for this issue. We should distribute them to the Comm Team for review and make them available to OPA as soon as possible.

Thanks,  
Donna
