Two things you or Neil will want to be in on. At 4, there will be a conf call (from Jim Clifford's office) on latest VY missing fuel pins. Call in # is 301-231-5539, passcode [REDACTED]

Immediately after that, the group will meet in Jim Dyer's office to brief him. You will certainly want to be in on that. [REDACTED] Speak with Neil on both items since he attended our first session.

Enjoy.
