RE: License Number 37-02136-01

Dear Sir or Madam:

We would like to make a change to our radioactive materials license. We are requesting the addition of Darrell J. Triulzi, MD as the authorized user of our Cs-137 self-contained blood irradiator. Dr. Triulzi is currently on the materials license for The Institute for Transfusion Medicine, license number 37-30140-01.

If you have any questions, please feel free to contact me. I can be reached by telephone at (412) 578-4250 or by email at msblackw@wpahs.org.

Thank you for your attention in this matter.

Sincerely,

Margaret S. Blackwood
