- On April 30, 2004, the staff will issue a response to Vermont Public Service Board regarding their request for an Independent Engineering Assessment at Vermont Yankee. Early next week, the staff plans to issue responses to letters from several interested members of Congress, including U.S. Senators Leahy, Jeffords, and Sununu, as well as U.S. Representatives Sanders (VT), Bass (MA), and Oliver (NH). The staff also plans to issue a response to the Vermont State Senate subcommittee regarding its request for an independent safety assessment.
