

November 22, 2005

Mr. William H. Brown  
Manager, Quality Assurance  
J. L. Shepherd and Associates  
1010 Arroyo Avenue  
San Fernando, CA 91340-1822

SUBJECT: RETURN OF THE J. L. SHEPHERD QUALITY ASSURANCE PROGRAM PLAN,  
REVISION 4

Dear Mr. Brown:

This letter refers to your correspondence dated August 8, 2005, and November 2, 2005, in which you submitted the J. L. Shepherd Quality Assurance Program Plan Revision for renewal and then recognized that the submittal was premature and requested its return.

According to your request, find enclosed a copy of the J. L. Shepherd Quality Assurance Program Plan, which was submitted on August 8, 2005. Please recognize that the original document submitted by you has been captured in the NRC Agency Documents Access and Management System (ADAMS). Please consider the existence of the Plan in ADAMS in any future revised submittals of the Plan so as not to duplicate a revision number.

Sincerely,

/RA/

Robert J. Lewis, Chief  
Transportation and Storage Safety  
and Inspection Section  
Spent Fuel Project Office  
Office of Nuclear Material Safety  
and Safeguards

Docket No. 71-0122

Enclosure: J. L. Shepherd & Associates Quality Assurance Program Plan, Revision 4

Mr. William H. Brown

SUBJECT: RETURN OF THE J. L. SHEPHERD QUALITY ASSURANCE PROGRAM PLAN,  
 REVISION 4

Dear Mr. Brown:

This letter refers to your correspondence dated August 8, 2005, and November 2, 2005, in which you submitted the J. L. Shepherd Quality Assurance Program Plan, Revision 4, for renewal and then recognized that the submittal was premature and requested the return of the submitted Quality Assurance Program Plan (Revision 4).

According to your request, find enclosed a copy of the J. L. Shepherd Quality Assurance Program Plan (Plan), Revision 4, which was submitted on August 8, 2005. Please recognize that the original document submitted by you has been captured in the NRC Agency Documents Access and Management System (ADAMS). Please consider the existence of Revision 4 of your Plan in ADAMS in any future revised submittals of the Plan so as not to duplicate a revision number.

Sincerely,  
 /RA/

Robert J. Lewis, Chief  
 Transportation and Storage Safety  
 and Inspection Section
