**MEMORANDUM TO:** Tad Marsh, Director  
Division of Licensing Project Management  
Office of Nuclear Reactor Regulation

**FROM:** Allen Howe, Acting Director  
Project Directorate I  
Division of Licensing Project Management  
Office of Nuclear Reactor Regulation

**SUBJECT:** COMMUNICATION PLAN FOR VERMONT YANKEE EXTENDED  
POWER UPRATE

The attached plan describes the methods and tools for communicating with internal and external stakeholders about the extended power uprate review for Vermont Yankee. In particular, it will assist the staff in responding to concerns from the public and elected officials in controlled correspondence and public meetings.

This plan will facilitate communication within the agency to enable the staff to provide timely, consistent, and understandable information to our external stakeholders.
