This is to acknowledge the receipt of your letter/application dated 9/16/05 and to inform you that the initial processing, which included an administrative review, has been performed.

There were no administrative omissions identified during our initial review.

Your application for a new NRC license did not include your taxpayer identification number. Please fill out NRC Form 531, which is being sent to you separately.

A copy of your action has been forwarded to our License Fee and Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your application has been assigned the above listed **MAIL CONTROL NUMBER**. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, you may contact us at 630-829-9887.

Estimated burden per response to comply with this mandatory collection request: 5 minutes. The information is required by NRC to process p contractors. Send comments regarding burden estimate to the Records Management Branch (T-6 E6), U.S. Nuclear Regulatory Co Washington, DC 20555-0001, or by internet e-mail to bjs1@nrc.gov, and to the Desk Officer, Office of Information and Regulatory Affairs, NEI (3150-0188), Office of Management and Budget, Washington, DC 20503.
