Re: USNRC Invoice No. JR0644-92

Westinghouse Electric Corporation received the attached Invoice JR0644-92 for an amount due on 9/30/92 (\$103,959.00) plus an accumulated interest charge (\$529.76) for non-payment. Westinghouse records indicate that this invoice was paid by Westinghouse Check No. 463101 dated and mailed 9/28/92. This check was in the amount of \$115,870.00 which was a consolidated payment including payment of Invoice JR0807-92 (\$3,286.00) and another Westinghouse debt in addition to payment of the subject invoice. Unless Westinghouse is informed otherwise, we will consider these invoices paid in full.

Sincerely,

B. M. Bowman
