Mail Control No.: 112591	License No.: SMB-1527	Docket No.: 040-08976
Person Called: Bo Bowman	Organization: Westinghouse Electric Company	Telephone Number: 412 642-5540
Person Calling: Mark Roberts		
Subject: Waste from Westinghouse - Bloomfield		
<p>Summary: In the review of the request to unrestricted use for Buildings 1 through 6 at the Westinghouse Electric Company's Bloomfield Lamp Plant, the documentation provided did not discuss the final status of the waste generated from the site. Certain materials were removed by the contractor, SEG, but the final disposition is not well documented. I requested that Westinghouse send a brief summary of the disposition of the waste removed from the facility. Mr. Bowman said that he would send it out by facsimile and follow-up with a copy in the mail.</p>		
Action Required/Taken: Include the information in the documents in preparation for release of the facility for unrestricted use.
