Subject: CORRECTION NEEDED ASAP

Richard,

I received the faxed copy of the amended NRC license referenced above, which transfers ownership of Mercy Hospital Wilkes-Barre to Geisinger Health System. Please be advised that the licensee name and address need to be changed to:

Geisinger South Wilkes-Barre
25 Church Street
Wilkes-Barre, Pa. 18765

The transfer of ownership was completed today, so we would appreciate your immediate re-issuance of the license in the correct name. As we discussed on the phone this morning, future mailings may continue to be sent to the contacts you have for Geisinger Danville, which are Robert W. Davies, Vice President, System Services, with a copy sent to me. The Chief Administrative Officer at Geisinger South Wilkes-Barre is John Wiercinski, whose mailing address is 25 Church St. Wilkes-Barre, Pa. 18765-7501.

Thank you,
