SUBJECT: ANNUAL REGIONAL STATE LIAISON OFFICERS  
AND STATE AGREEMENT OFFICERS COUNTERPART  
MEETINGS

The NRC's Office of State and Tribal Programs (STP) will sponsor their annual Regional State Liaison Officers' (RSLOs) and Regional State Agreement Officers' (RSAOs) counterpart meetings on January 17-19, 2006. The objective of the meetings is to facilitate a free and open exchange of information between the RSLOs/RSAOs and other NRC offices who share responsibilities in communicating information about Federal/State radiation protection regulations and policies. This year, we are trying a new approach where RSLO and RSAO sessions are held separately on days one and three, respectively, with a joint session on day two.

The RSLOs meeting will be held on Tuesday, January 17, 2006, from 2:00 p.m. to 5:00 p.m. On Wednesday, January 18, 2006 from 8:30 a.m. to 12:00 noon, the RSLOs and RSAOs will meet together to discuss topics that are relevant to both groups. To continue discussing items of mutual regulatory importance, the two groups will participate in NSIR's Office of Emergency Preparedness meeting on January 18, 2006, from 1:00 p.m. to 5:15 p.m. The RSAOs meeting will be held on Thursday, January 19, 2006, from 8:30 a.m. to 12:30 p.m. The proposed topics and room locations for each of the meeting sessions are identified in the enclosed agenda.

Questions regarding the RSLOs and NSIR topics should be directed to Andrea R. Jones at 301-415-2309; questions regarding the RSAO topics should be directed to Sandra Lai at 301-415-4012. Please confirm your office participation by COB, December 14, 2005.
