Subject: Davis-Besse Statute of Limitations
Place: OEMAIL@nrc.gov

Following a discussion this afternoon with Chris Nolan, OE, and Sara Brock, OGC, we've scheduled a conference call for tomorrow morning to discuss a potential statute of limitations problem with possible civil penalty/order action for the reactor head wastage issue at Davis-Besse.

Please call either me at 630-810-4372 or Ken O'Brien at 630-810-4373 if you are unavailable to attend and we need to reschedule the call.

Call with be a 9:00 a.m. (Central) 10:00 a.m. (Eastern), Thursday, March 24, 2005.

Telephone bridge numbers: (301) 231-5539 or 1-800-638-8081

Pass code: [REDACTED]

The Region III staff will be using the IRC "bubble."

There's no handout or package for this call.

Thanks, Chuck
