SUBJECT: ROHM AND HAAS COMPANY, ACCEPTANCE OF NOTIFICATION,
CONTROL NO. 138058

Dear Dr. Greenley:

This refers to your letter dated November 30, 2005 describing the proposed change of the operator of your licensed activities to Rohm and Haas Chemicals LLC. From your letter, we understand that this transfer will not result in any change to the licensed name, location of use, materials, persons using licensed material, or persons responsible for radiation safety at the licensed facility.

Based on the above understandings, we have no objection to this change. Future changes in the licensed name, use, location, or persons responsible for licensed material require submission of a request to amend the license. NRC approval must be received prior to implementation of the proposed change.

Thank you for your cooperation in this matter.

Sincerely,
