Dear. Ennis,

An E-mail from Rhonda Daflucas to you, dated 11/22/05 transmits Entergy EPU Application supplement 42. To the right of the text message appears a handwritten note ML053320190. However, there is no such document, either by description or MLO, to be found in ADAMS. Naturally, since the issues in supplement 42 are subject to review by the ACRS, we would like to see the document. Why isn't it posted as of 12:45 - 12/04/05? Thanks for you help.....Ray Shadis
