Docket No. 030-33468

The smear and dose rate report and NRC Form 314 requested during our recent inspection are attached. This should satisfy the decommissioning requirement of the 150 Hilltop Rd. Ramsey, NJ 07446 site to be removed from our license.

- 1). Please change our materials license page 2, condition 10, line 2, removing the words; "and 150 Hilltop Road, Ramsey, New Jersey,"

The two locations in the license were to cover both sites during a move of our operations from one location to the other. This does not reflect any change in the current location of the licensed materials located and secured at 31 Industrial Avenue, Suite 1, Mahwah, New Jersey.

Thank you for your assistance in processing this change.

Best Regards,

Thomas Phillips  
President
