<p>Summary: I spoke to Mr. Kostka and determined why a response had not been made to our RAI made on October 25, 2005. He stated that upper management had not come to a final decision on what to do with the Totowa, NJ facility. When I informed Mr. Kostka that I had to complete the action by December 21, 2005, he stated that I should issue the amendment with the information given on September 12, 2005. Completing the action would provide management more time to consider its options. I thanked Mr. Kostka for his time.</p>
