OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Rebecca,

I just wanted to send you a quick note to let you know that the new rules that the NRC want to impose will be a detriment to me and my family. We presently work 7 10 hour shifts when things get busy around here. Working only 10 hours a day allows me time to see my young children at the end of the day for a couple of hours. Forcing me to go to a 6 12 hour day schedule will mean that my kids will be in bed by the time that I get home. I am not looking forward to seeing the kids only on Sundays.;

Another thing that should be considered is when we are on the backshift, working 7 10 hour days is easier on the body than working 6 12 hour shifts and trying to stay up all night on the 7 th day so my body does not get out of wack. Sorry I am not more eloquent in my choice of words, I do not write many letters.

Thank you for your time,

Doug Beck
