Subject: Comments Concerning Implementation of the Reactor Oversight Process
(70FR61318, dated October 21, 2005)

This letter is being submitted in response to the Nuclear Regulatory Commission (NRC) request for comments concerning the implementation of the revised Reactor Oversight Process (ROP) published in the Federal Register (i.e., 70FR61318, dated October 21, 2005). Exelon Generation Company, LLC (EGC) and AmerGen Energy Company, LLC (AmerGen) appreciate the opportunity to comment on this matter.

EGC/AmerGen consider that the ROP meets its established performance goals. Furthermore, we fully support the comments submitted by the Nuclear Energy Institute (NEI) on behalf of its member companies regarding the implementation of the ROP.

If you have any questions or require additional information, please do not hesitate to contact Mr. Richard Gropp at (610) 765-5557.

Sincerely,

David P. Helker
