**PROJECT NUMBER: 690**

Dear Dr. Kuo:

On April 8, 2005, NEI provided the NRC with guidance document NEI 05-01, Severe Accident Mitigation Alternative (SAMA) Revision A. The NRC reviewed this document and provided comments to NEI. NEI has incorporated those comments and are now transmitting the final version of NEI 05-01, SAMA. We believe this document will enhance the efficiency of the overall License Renewal process for both industry and NRC staff. As such, we ask for NRC endorsement of this document in its entirety.

If you have any comments or questions, please contact or me at 202-739-8080; [am@nei.org](mailto:am@nei.org) or James Ross at 202 739-8101; [jr@nei.org](mailto:jr@nei.org).

Sincerely,

A handwritten signature in black ink that reads "Alex Marion". The signature is written in a cursive, flowing style.
