In accordance with 10 CFR 35.14 please note the following change:

1. The Radiation Safety Officer Kanta Patel has permanently discontinued services to our facility. An amendment application has been submitted to the commission requesting the authorization of a new RSO ( Barbara Bookser). In the interim, Michael J. Dougherty, MD, an authorized user, has been appointed and has assumed the RSO duties.

Thank you for your attention to this matter.

Sincerely,
