In the Matter of
AMERGEN ENERGY COMPANY, LLC
(Oyster Creek Nuclear Generating Station)
Docket No. 50-219-LR

Dear Administrative Judges:

This letter forwards a replacement for the documents the NRC Staff filed on December 12, 2005, in answer to the NJDEP's petition to intervene in the captioned proceeding.

The replacement copy, which will be filed in ADAMS, corrects the caption, removes a document that does not relate to this proceeding and removes the word "Panel" from one of the notices of appearance filed in this proceeding.

The Staff will notify the Board and parties of the ADAMS number as soon as it is available.

Copies of this letter and the attached documents are being sent by U.S. Mail, first class and by internal mail as appropriate.

Sincerely,

Original signed by
Ann P. Hodgdon
Counsel for NRC Staff
