NUCLEAR MANAGEMENT COMPANY, LLC  
(Palisades Nuclear Plant)

Docket No. 50-255-LR,  
ASLBP No. 05-842-03-LR

December 21, 2005

**ORDER and REVISED NOTICE**

(Setting Deadlines to Respond to Staff Notification of December 20, 2005)

On the afternoon of December 20, 2005, NRC Staff Counsel Susan Uttal notified the Licensing Board and parties, by e-mail transmission, that she had received a telephone call from Demetrios Basdekas, who was named as an expert witness by the petitioners in support of proposed Contention 1. According to Ms. Uttal, Mr. Basdekas informed her that, "although he was contacted by the petitioners regarding being their expert witness and had told them that he might be willing to help them after looking into the matter, he subsequently declined to serve as an expert witness in this matter." Further, Mr. Basdekas informed Ms. Uttal, "he had sent an email to the petitioners advising them that he was declining to be their expert." He indicated that he had "informed the petitioners that, as a generic matter, the longer a reactor operates, the more embrittled the vessel becomes," but he had "made no statements regarding the state of the Palisades reactor as he had no site specific information on which to base an opinion."

In view of this very significant development in this proceeding, the Board would like a response from Petitioners. Taking into account the season and potential unavailability of necessary persons to respond, the Board is setting a deadline of January 3, 2006, for

Petitioners to respond to the information provided by Staff counsel; if Petitioners dispute the information provided by Staff counsel and wish to assert that Mr. Basdekas is still their expert, they shall provide an affidavit signed by him to that effect. Thereafter, the NRC Staff and Applicant NMC may have until January 9, 2006, to reply to the Petitioners' Response.

After hearing from all parties, the Board will thereafter issue a decision on all pending matters in this proceeding. In view of the significance of the information provided by Staff Counsel, this will result in this decision not being issued in December or early January as previously planned. The Board at this point does plan to issue its decision in January 2006, barring further unexpected developments.

It is so ORDERED.
