Mr. Shawn Williams, Project Engineer
Licensing Section
Spent Fuel Project Office
Office of Nuclear Material Safety and Safeguards
U.S. Nuclear Regulatory Commission
11555 Rockville Pike
One White Flint
Rockville, MD 20852

Docket No.: 71-9314

Subject: Amendment Request for the Model 976 Series Type B Package

Dear Mr. Williams:

As requested please see attached revision to the list of affected pages which includes the drawing numbers that are being revised along with a quick description of the changes to those drawings. The draft CoC your forwarded for review is fine and I have no comments requiring change to that document. Should you have any additional questions or wish to discuss this submission after receipt please contact me as shown below. Again your assistance is greatly appreciated in this matter.

Sincerely,

Lori Podolak
Product Licensing Specialist
Regulatory Affairs Department
