Bill,

As I am sure your aware, the current VY EPU schedule forecasts a final safety evaluation date of 2/24/06. In order to incorporate all changes since the draft that was issued on 11/2/05, and allow sufficient time for NRC internal review, I would like your input for the State comments section by 1/5/06. .

Please let me know if you have any questions.

thanks,

Rick
