Name of Participant(s):	Ronald Tai, Ph.D., Radiation Safety Officer Steven Courtemanche, Health Physicist NRC	
Telephone No.	973-334-0003 610-337-5075	
Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Disposition of Gas Chromatograph	
Summary:	<p>I left a message on Dr. Tai's voice-mail for him to get back in touch with me concerning the disposition of the gas chromatograph. I stated that NRC management wants him to dispose of the device as soon as possible since he is technically in violation of 10 CFR 30.36(d)(4).</p> <p>10:00 12/21/2005 The receptionist informed me that Dr. Tai would be in later today, probably in the afternoon.</p> <p>14:00 12/22/2005 Dr. Tai returned my call. He stated that he had been in contact with Carlton Lorring of Tremetrics Finnegan and had arranged for the disposal of the gas chromatograph. He further stated that he hoped to have it shipped off-site prior to December 31st, 2005. I informed Dr. Tai that my supervisor was reviewing a letter to be sent to his management informing them that should the situation not be resolved in 60 days, the license would be reactivated. NRC HQ would then seek reimbursement for three years of annual fees. Dr. Tai stated that he sincerely hoped that the situation was resolved well before the sixty days expired. I wished him luck in accomplishing that aim.</p>
