Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Confirmation on License Application
Summary:	I called Ms. Rounds to determine if the licensee truly wanted to apply for a new license. I explained to Ms. Rounds that a separate license was not required for each site, that multiple sites could be listed on one license. She stated that she did not realize that and would want the application used as an amendment to its existing license. I told her that the change would be made and that the check from the licensee would be refunded.
