Docket No: 03037043
Control No: 137776

Ms. Palacios,

I have received your facsimile of December 12, 2005 and have reviewed its information. We still need the following information.

- 1) The model number for sealed sources as registered with the Commission under 10 CFR 30.32.210 or with an Agreement State.
- 2) The training program for radiation workers along with a commitment for initial and periodic refresher training. Please see item #4 from the October 20, 2005 letter sent to you.
- 3) Please describe the frequency of visits to the licensee, how the licensee may contact you when needed, and maximum amount of time it would take you to respond to the licensee if an emergency would require your presence.

This information needs to be facsimile into our office as soon as possible but before December 27, 2005 to issue the license before the deadline.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you December 27, 2005, we will assume that you do not wish to pursue your application.
