**Re: Chambersburg Hospital License Amendment Request**  
**Current License Number: 37-12771-01**  
**Request: Add IsoAid LLC Model IAI 125A**

Dear Sandy,

This letter is to request for an expeditious license amendment to our current materials license (37-12771-01). **Please add IsoAid LLC Model IAI 125A seed to our license.** We have scheduled a prostate seed implant on January 6, 2006. The seeds have to be ordered before 9:00 am tomorrow (12/30/05), but the manufacture cannot process our order until without the amended NRC license for the IsoAid I-125 seed.

I greatly appreciate your immediate response. Please fax me the amended license at 717-263-6251.

Sincerely yours,

A handwritten signature in black ink, appearing to read "David R. Brill".
