RE: R.O.V. Technologies, Inc. License Amendment No. 02: 44-30912-01, Letter
Dated October 3, 2005; Control No. 137807

Dear Mr. Schmidt:

1. Per our recent phone conversation pertaining to R.O.V. Technologies, Inc. letter dated October 3, 2005, 2nd License Amendment, the drawings and associated attachments are not considered proprietary information as stated in the "NOTICE" of said letter.

If you have any further questions, please contact us at your earliest convenience.

Sincerely,

John J. Judge, Jr.
President/CEO
