SUBJECT: PRINCE WILLIAM NUCLEAR CARDIOLOGY, VOIDANCE OF APPLICATION
FOR LICENSE AMENDMENT, CONTROL NO. 137758

Dear Ms. Coppage:

This concerns the subject application for an amendment to your material license. Because you have not provided sufficient information to indicate that the applicant received supervised work experience as stated in 10 CFR 35.920(b)(2), we therefore are voiding this action. The facsimile dated December 19, 2005, stated that the work experience required in 10 CFR 35.920(b)(2) was within the 200 hours of didactic training. Normally work experience is not considered didactic training. This action is taken without prejudice to the resubmission of your request.

Sincerely,

Original signed by Elizabeth Ullrich
