Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Additional information for amendment request to add AMPs	
Summary:	<p>I asked Tony to confirm the range of dates of full-time training and work experience for Alphonse Loper under his supervision (form 313A included hours but not range of dates). Tony said the range is from September 2003 until now (i.e., greater than 2 full-time years).</p> <p>The submitted information documents that Dineli Alahakone received brachytherapy treatment planning training from Nucletron (the licensee's HDR vendor) but does not document HDR vendor training in emergency procedures. Tony stated that he will arrange for Nucletron to provide this training to Dineli Alakahone in January, at the time of source exchange. She will not function independently as an AMP before this training is provided.</p> <p>I informed Tony that the current amendment request was submitted early enough for evaluation under Subpart J, but that this Subpart has expired and future requests will be evaluated under the newer training and experience requirements.</p>	
Action Required:	Issue amendment, referencing in cover letter the commitment to provide HDR vendor training in emergency response to Alahakone.
