I think Russ should do it - I'll be there, but I think giving those involved the face time is very important.

Regarding Salem/Hope Creek (Dr Kymn Harvin concerns - discrimination and safety conscious work environment).

The EDO's office has requested three potential time for a Commissioner's TA briefing. Russ is out tomorrow. In the interest of keeping this moving, I am looking for recommendations, players, and availability for the week of the 28th. Thanks.
