I would envision the following to listen in from the Region. Randy Blough, Gene Cobey, Dan Holody, Dave Vito and myself. The week of the 28th will be a force fit. Randy is on a site visit Tuesday, Gene is on leave Monday and Tuesday, allegation panels are Wednesday morning, and Thursday the Chairman is visiting the Region. Other than that we are wide open. But go ahead and propose some times and we will try to accommodate as best we can.

Regarding Salem/Hope Creek (Dr Kymn Harvin concerns - discrimination and safety conscious work environment).

The EDO's office has requested three potential time for a Commissioner's TA briefing. Russ is out tomorrow. In the interest of keeping this moving, I am looking for recommendations, players, and availability for the week of the 28th. Thanks.
