Turnover items for 3/18/05

The briefing book for Luis's trip to Point Beach and Kewaunee were given to Jan on Wen. If the book is misplaced, there is an additional binder copy on my desk by the guest chair.

The enforcement briefing for the Salem/Hope creek issue has been set up for 3/28 for the EDO and 3/29 for Merrifield and other Tas. As per Dave Skeen's direction I have sent out the invite to the other Tas.

I talked to Jim Caldwell about his conversation with Merrifield about the web article. Initially I was told that more information was needed but after Dave checked again, Cm merrifield was satisfied by the information Caldwell gave him and the briefing was canceled.

Kewaunee was sold 3-0 to Dominion.
