U.S. Nuclear Regulatory Commission
Attention : Document Control Desk
Washington, D.C. 20555

SUBJECT: Duke Energy Corporation
Catawba Nuclear Station, Units 1 and 2
Docket Nos.: 50-413 and 50-414
Service List – Names and Addresses

Please revise the NRC's service lists to reflect recent changes in key management positions at Catawba Nuclear Station.

Replace L. A. Keller with R. D. Hart as the Regulatory Compliance Manager. Randy can be reached via telephone at 803-831-3622 or electronically at rdhart@duke-energy.com.

Replace T. D. Ray with J. Robert Ferguson as the Safety Assurance Manager. Bob can be reached via telephone at 803-831-3277 or electronically at jrfergus@duke-energy.com.

These changes are effective immediately. Please direct any questions to K. E. Nicholson at 803.831.3237.

Sincerely,

D. M. Jamil
