Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Licensed material listed was never possessed (AmBe source)	
Summary:	During NMMSS inspection at site earlier in 2005 inspector discussed status of listed AmBe source. Ms. Armstrong was unsure that the source had ever been possessed and said she would investigate. Nov 2005 phone message from Ms. Armstrong stated the source had been added to the license in anticipation that it would be transferred from Blue Ridge Community College to JMU, which had never occurred. She had spoken with the contact at BRCC, Houston Lynch (phone 888-750-2722, ext. 2235), who told her the AmBe source was to be transferred to Los Alamos soon.	
Action Required:	I suggested to Ms. Armstrong that she provide the documentation that the source had never been possessed by JMU as part of a request to remove the material from the JMU license, while the information is fresh.
