NOV 21 11:11

Gentlemen:

We would like to amend our material license to include another Radiation Safety Officer (RSO) for our Hammonton Laboratory to be Timm S. Ackley. Timm is our laboratory supervisor who has been employed with our company for many years. We have two buildings where chemicals maybe stored and that is why we would like to have two RSO's. Please take note of this change.

Should you have questions or require any additional information, please do not hesitate to contact our Radiation Safety Officer Martin A. Ackley.

Sincerely,

Martin A. Ackley/RSO
