Dear Sir or Madame,

03002960

We wish to amend our NRC byproduct material license (37-00485-04) to include the following two new staff members:

1. Richard L Crownover, M.D., Ph.D., Director of Radiation Oncology, to be an authorized user under our 10 CFR 35.400 and 600 procedures. Please find a copy of his ABR certificate enclosed. Previously, Dr. Crownover was previously employed at Cleveland Clinic, Cleveland, Ohio during the past seven years.
2. Chandrasekhar Kota, Ph.D., Director of Medical Physics, to be an authorized medical physicist. Please find a copy of his ABMP certificate enclosed. He was previously employed by The University of Pennsylvania Hospital, Philadelphia, PA within the last seven years. Please find enclosed attestation of the recentness of his role as an Authorized Medical Physicist at The University of PA. He has been trained with the Varian HDR unit that we have.

Please facilitate this request separately from (but include the changes within) our NRC license renewal, currently being reviewed by Willie Lee and Penny Lanzisera of your offices.

Sincerely,

Carl Seidl
Vice President
