Summary:	USMA has requested a change of RSO. The new RSO, Major Davis Phillips, has been participating in the current program for almost a year. However, he did not mention his work under the current USMA licenses on his work experience. Most of his prior work experience was w/ medical uses of licensed material. I asked the current RSO, Brian Moretti, to submit information detailing David's current work experience under the existing USMA radiation safety program.	
Action Required:	awaiting fax from licensee
